PADDLE UP: KAYAKING ADVENTURE
(for kids ages 10-17 only)
Until recently, traditional kayaks were best suited for navigating ultra-challenging white water rapids.

Today, a new breed of wider, more stable boats has made kayaking a sport that can be practiced by just about anyone. In our paddling clinic, you’ll discover for yourself the thrills of recreational kayaking. Who knows what adventures the river might hold...you might catch a glimpse of an osprey fishing for lunch or share a scenic view with a herd of deer foraging on the side of the river. It’s a great retreat to nature - relaxing and refreshing. This 3hr clinic covers the basics of river safety and paddling on the mild waters of the Jackson River.
