

The State Transformation in Action Recognition (STAR) Award

The STAR award is presented to successful programs which serve as models of innovation and efficiency in state governments in the Southern region.

2013

KENTUCKY ADMINISTRATIVE OFFICES OF THE COURTS

Veterans' Connect Program

The program requires pretrial investigations and services to ask whether an individual has been in combat and, if so, provide contact information to services available for combat veterans.

VIRGINIA DEPARTMENT OF CORRECTIONS

Step Down Program for Administrative Segregation

The program has reduced the number of offenders in Administrative Segregation by 53 percent; increased safety by reducing prison incidents by 56 percent; and reduced staff stress and improved morale as evidenced by a decrease in use of sick leave.

2014

VIRGINIA DEPARTMENT OF MOTOR VEHICLES

DMV Connect

The program was designed to smooth prisoners' transition back into society by ensuring they have valid state identification upon release. The program has since expanded and the DMV now offers similar services to other populations of limited mobility, including the elderly and disabled.

WEST VIRGINIA OFFICE OF CHILD NUTRITION

Feed to Achieve

The program seeks to provide a minimum of two nutritious meals a day to schoolchildren in West Virginia by way of innovative meal delivery systems. It also incorporates innovative funding mechanisms, including directed donations and targeted federal grants, that enable the program to operate with negligible administrative cost.

2015

GEORGIA | ARMSTRONG STATE UNIVERSITY

Cyber Forensics Division

The program reduced Georgia's cyber forensics backlog from seven to 12 months to 30 days or less, and has achieved high placement rates for its interns post-graduation.

VIRGINIA DEPARTMENT OF MOTOR VEHICLES

Vital Records at DMV

The program's creative use of the DMV's service footprint improves state services while also reducing DMV wait times. The program has been proven to be transferable across agencies.

2016

VIRGINIA DEPARTMENT OF CORRECTIONS, DIVISION OF EDUCATION (VDOC, DOE)

American Council on Education Accreditation Project

In order to reduce recidivism, VDOC, DOE offers career and technical education (CTE) courses to inmates. These courses are designed to provide inmates with the skills required to succeed in today's workforce.

VIRGINIA DEPARTMENT OF TRANSPORTATION AND DEPARTMENT OF RAIL AND PUBLIC TRANSPORTATION

Smart Scale Program

The Smart Scale program legislation established a statewide prioritization process for transportation projects that improve the efficiency of Virginia's transportation network.

2017

TENNESSEE HIGHER EDUCATION COMMISSION

Prioritizing Student Veterans

The program promotes enrollment and degree completion by veterans in higher education, while also encouraging campuses to develop services and resources for student veterans.

WEST VIRGINIA DEPARTMENT OF EDUCATION

Electronic Application Processing System

The system provides a better way for teachers to obtain or renew a West Virginia teaching certification by reducing the time to process an application from weeks to days. Applicants receive real-time status updates as their application traverses through the approval process. During the first year of the new system, more than 8,000 applications were submitted.

2018

ARKANSAS DEPARTMENT OF EDUCATION

K-12 Panic Button School Safety System

In 2016, an active shooter incident at an Arkansas school led to a campus lockdown. After learning that a student had a gun on campus, a teacher activated the Panic Button app, which notified all key personnel and emergency responders. Within eight minutes of activating the app, law enforcement had the gun and student in custody with no injuries reported.

TENNESSEE HIGHER EDUCATION COMMISSION

Tennessee Promise

The program is a last-dollar scholarship that pays any tuition and fees charged at community and technical colleges that are not covered by other sources of grant aid. Each Tennessee Promise student is paired with a mentor – an adult in their community who can support them through the college and financial aid application process.

Tennessee
Office of Reentry

TENNESSEE OFFICE OF REENTRY

The Tennessee Department of Labor and Workforce Development's Office of Reentry (TOOR) is a statewide comprehensive source for reentry information, direction, and planning. TOOR was created in July of 2021 to coordinate comprehensive workforce services to support Justice Involved Individuals (JIIs), via the Department's statewide network of American Job Centers (AJC). Their services are directed at justice-involved individuals who are seeking job opportunities, adult education, supportive services, or general assistance, as well as employers who are interested in learning more about Second Chance hiring.
