

U.S.-Mexico-Canada Agreement - The Next Generation of Ag Trade

Max Moncaster
Director, Public Policy

NASDA

Who is NASDA?

New Market Access Benefits Producers

- Most tariffs were already near zero
- Improvements for dairy
- New access on poultry and eggs

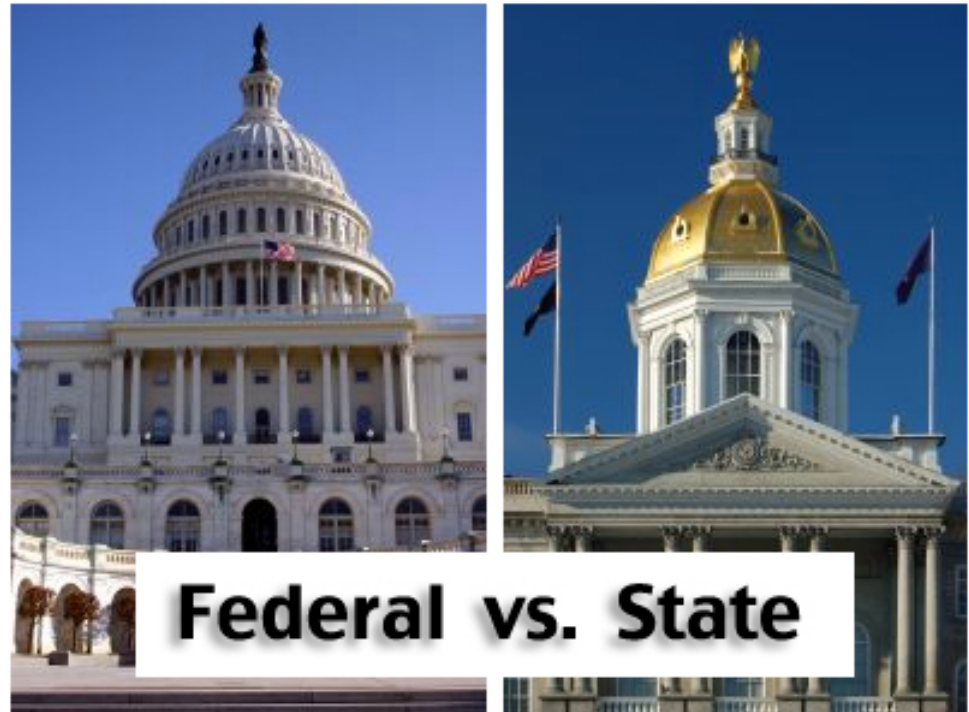

A Model for 21st Century Trade

- Enhanced trade and customs standards
- Agricultural biotechnology
- Enforcement, enforcement, enforcement

A Refreshed Role for States?

- State support for federal priorities
- New agricultural trade governance structure
- Where do we go from here?
