No olives were UNEMPLOYED when this idea was implemented – as you can see they were put to good use!
A legislative bill goes through a complex process of resources and systems.
If not done right..
It can cause operational and technological nightmares.
Oh by the way – it can cause political nightmares as well!
We process an average of 1,200 bills each annual session and..
These bills have significant costs associated with them.

If we continue down this path…
And that is not acceptable!
“There must be a better way, right?”
Today, I am introducing TN General Assembly’s DASHBOARD!
The Dashboard for Legislators lets them communicate, collaborate and execute laws anytime, anywhere!
